

Premier Community Development Showcased

Vision Realty and Natural State Land Development recently held an Open House for a residence in Mena/Polk County's premier new community, Star Mountain Estates, off County Road 42. Lenders, insurance agents and other realtors visited with Developer Clint Haggard, and Vision Realty owners David and Patti Oates. The new development offers spacious mountaintop lots incorporated into a very "country elegant" community. Pictured above: (L-R) are Clint Haggard, and Patti and David Oates in the interior of the new home.
